

### Who We Are

Simpcw Resources Group is an Indigenous-owned company providing professional Medic and Security services across multiple sectors. We are committed to delivering reliable, compliant, and high-quality support to organizations operating in both remote and populated environments. Our services are grounded in strong operational standards, industry best practices, and an in-depth understanding of regional requirements.

### How We Work

As an Indigenous-owned provider, we offer region-specific expertise, geographic familiarity, and efficient deployment capabilities for remote worksites, Indigenous communities, and high-risk industrial locations where traditional services may be limited.

### Our Mission

Provide professional, high-quality emergency medical and security services with a focus on safety, efficiency, and client satisfaction.

# Reliable Protection for People, Assets, and Operations

Simpco Resources Group's Safety & Security division delivers integrated medical and security solutions designed to support safe, compliant, and efficient operations.

## Key Services

-  Emergency Medical Response
-  Security Operations & Risk Management
-  Event Safety and Crowd Control
-  Disaster Response and Preparedness
-  On-Site Safety Monitoring

## Medic Services

Our certified medics deliver on-site medical coverage and emergency response across a variety of settings, including:

- Oil and gas sites
- Forestry operations
- Construction projects
- Sporting events
- Music festivals
- Remote and high-risk locations

SRG Medics are trained to manage emergency situations, conduct assessments, maintain documentation, and support workplace health and safety protocols.

## Security Services

Our security personnel provide dependable protection and risk mitigation for industrial, commercial, and public environments.

### Services include:

- Asset protection
- Monitoring
- Access and gate control
- Event safety and crowd management
- Mobile patrol
- Emergency response support

Security programs are tailored to meet the specific requirements of each client and the unique site conditions.

 Build with confidence. Contact us to discuss your project needs.
