

**Job Title:** Heavy equipment operators

**Job ID #:** RCTV-19002

**Location (City, Province/State):** Jasper, AB and Barriere, BC

**Category:** Equipment Operators

**Position Summary:**

We are seeking experienced Heavy Equipment Operators for our Pipeline Project located in Jasper, AB and Barriere, BC. The successful candidate will be responsible for operating in accordance with quality, safety and efficiency standards.

**Responsibilities:**

- Effectively and safely operates heavy equipment, utilizing machine specific controls and machine attachments to complete all necessary tasks related to pipeline construction. This includes operating on adverse terrain, in winter operations, and/or near other equipment and power lines.
- Operates in crowded, fast-paced working environments, and exercises extreme caution with awareness of potential situational hazards to ensure site safety.
- Interprets verbal and non-verbal communication (including hand signals) from operators, ground personnel and swamper, and acts accordingly.
- Performs mechanical inspections and servicing including controls and operations, completing logbooks, performs maintenance and adjustments, ensures good housekeeping, and performs machine lubrication.
- Performs effective operation of equipment by recognizing unusual machine movements and sounds.
- Recognizes existing and potential hazards and knows how to identify these through conducting a field level pre-job hazard analysis, checking the machine for hazards and assessing any tasks before start.
- May perform other related duties as assigned.

**Requirements:**

- Minimum 3 years of experience operating heavy equipment; excavators, motor graders, dozers, rubber track, steep slope, bending machine, sideboom/pipelayer, wheel loader and other heavy equipment on a mainline pipeline job or similar experience
- Previous experience performing daily service and preventative maintenance on equipment.
- Previous experience working with pipe.
- Working in mountainous and steep slopes is an asset
- Working in rock ground conditions is an asset
- Working around Water Course Crossings is an asset
- Must successfully complete pre-access drug and alcohol testing.

- Must be willing and able to obtain valid PCST (Pipeline Construction Safety Training), First Aid Lvl C with CPR, Defensive Driving Training, and Ground Disturbance Lvl 2 certificates. Training provided.
- Must possess a valid form of government issued photo identification.
- Must have demonstrated ability to work under minimal supervision.
- Willing to provide a valid driver's license and abstract.

**Work Conditions:**

- 15 days on 6 days off, 12-hour shifts
- Prepared to work in all types of weather
