

Job Title: Lead Hand

Job ID #: RCTV-19005

Location (City, Province/State): Jasper, AB, and Barriere, BC

Category: Field Supervision

Position Summary:

You are an experienced Lead Hand who's familiar with all aspects of pipeline construction. You are a hands-on, detail-oriented leader, running a small crew in addition to working alongside subcontractors and inspectors. You will be responsible for coordinating front line supervision of various maintenance and construction activities relating to pipeline construction.

Responsibilities:

- Performs front line supervision of pipeline construction work
- Prepares and deliver work instructions and safety meetings to the crew at the start of daily shifts
- Aid frontline supervisor in the daily oversight of construction activities for your specific crew
- Mentor, coach and train operators, drivers and labourers on the safe and productive work practices required of Simpcw Leducor LP.
- Promote Simpcw Leducor LP safety culture
- Apply drawings to the task at hand and verify their accuracy
- Ensure the quality of the job meets or exceeds client specifications
- Ensure that all required Operating and Safe Work Procedures are followed
- May perform other related duties as assigned

Requirements:

- Must have a minimum 5 years' experience on pipeline construction projects
- Must have experience overseeing and directing crews
- Must be able to perform physically demanding tasks and stand for extended periods of time
- Must successfully complete pre-access drug and alcohol testing
- Must possess and maintain a clean driver's abstract and valid driver's license
- Must be willing and able to obtain valid Leadership for Safety Excellence, PCST Training, Ground Disturbance Level 2 and Defensive Driving certification. Training Provided.
- Ability to work with minimal supervision

Work Conditions:

- 15 days on 6 days off, 12-hour shifts
- Prepared to work in all types of weather
