

Dear Simpco Community Members,

We are delighted to announce scholarship opportunities for eligible applicants within the Simpco community. We strongly encourage you to apply for one or more scholarships if you meet the eligibility criteria for each scholarship.

Our scholarships are designed to assist students who have demonstrated excellence in academics, leadership, community involvement, and other areas. Each scholarship has its own specific requirements, so we recommend that you carefully review the eligibility criteria for each scholarship before applying. The scholarship amount varies, and the deadline for all scholarships is June 1, 2023. Recipients will be notified by June 30th at the latest to ensure adequate time to receive the bursary prior to course commencement.

To apply for any of our scholarships, please complete the application form and email it to scholarships@simpcoresourcesgroup.com. You will need to submit relevant documents and information according to the requirements of the scholarship(s) you are applying for. Preference will be given to each applicant in the field that the scholarship is given, but we want to make sure that we can support all Simpco members no matter what fields they are excelling in.

We wish you the best of luck with your application(s) and encourage you to seize this opportunity to further your education and achieve your goals.

Sincerely,

The SRG Scholarship Committee
