This position requires someone with a good working knowledge of the industry, building codes and the contractor business. The ideal applicant will be a self-motivated, with excellent communication skills and a strong construction background.

Responsibilities:

- Provide a high level of customer service and product expertise for all customers
- Support customer construction take-off's ensuring accuracy and attention to detail on each project
- Complete special orders for customers and maintain the necessary order paperwork
- Provide quotes and process orders for customers
- Practice and maintain safe procedures for the handling of all yard materials
- Ability to communicate effectively
- Operate forklifts and skid-steer when required
- Load and unload materials being delivered to the yard
- Adhere to all company safety requirements
- Wear and maintain all PPE
- Operating HIAB cranes within BC Association for Crane Safety operational standards
- Process truck logs and record of materials/supplies transported, along with other required paperwork
- Conduct pre-trip truck inspections to ensure truck and crane are operating properly and notify management if any repairs or maintenance are required
- To perform other duties and tasks assigned by the General Store Manager

Job Requirements:

- Highly skilled in providing timely, efficient, and considerate customer service
- Minimum 3 years' experience in contract sales

- Excellent listening, communication, and organizational skills
- Detail oriented and strong attention to following safe work practices
- Exceptional time management and problem-solving skills
- HIAB crane operator experience
- Ability to perform job duties that involve stretching, bending, lifting, and carrying objects of varying weights.
- Must be able to lift at least 50 pounds.
- Punctual and reliable.
- Attention to detail and ability to multi-task

What we offer:

- Competitive Compensation
- Positive and collaborative team
- Meaningful work

Application Deadline: Open until filled.
