AGGREGATE SERVICES

Quality. Reliability. Consistency

simpcwresourcesgroup.com

1001

Our Quality Aggregates Solutions

We provide high-quality, reliable, and consistent aggregate materials to meet the diverse needs of our clients across various industries. Our commitment to sustainable practices ensures that these resources are responsibly sourced and contribute to the long-term development of our communities and infrastructure.

WHY CHOOSE US

- ✓ **Reliable Supply:** On-time delivery to keep your project on schedule.
- ✓ **Sustainable Practices:** Responsibly sourced materials that minimize environmental impact.
- ✓ **Expertise You Can Trust:** Years of experience in providing tailored aggregate solutions.

Locations: Seven aggregate producing properties strategically located between Barriere and Valemount, ensuring a consistent supply of high-quality materials.

SAFETY FIRST

We prioritize the well-being of our team and clients. By implementing rigorous safety protocols, comprehensive training programs, and adhering to industry best practices, we ensure a secure environment throughout all our operations

SUSTAINABLE AGGREGATES

Our commitment to environmental stewardship ensures that all our materials are sourced and processed with minimal ecological impact, promoting sustainability in every project.

CUSTOMIZED AGGREGATE SOLUTIONS

For large-scale industrial construction, we provide a wide range of aggregate products tailored to meet the specific needs of your project.

EXCEPTIONAL QUALITY

With a focus on punctuality and product excellence, our aggregates division guarantees timely deliveries and materials that meet the highest industry standards.

Expert Team, Exceptional Results

Our success is built on the expertise and dedication of our professional staff and operators. With decades of industry experience, our team brings unparalleled knowledge and skill to every project, ensuring the highest quality in aggregate production.

Our operators are trained in the latest technologies and adhere to strict safety protocols, reflecting our commitment to operational excellence and the well-being of our workforce.

Build with confidence. Contact us to discuss your project needs.
