TOURNAMENT

2025

BIGHORN GOLF & COUNTRY CLUB
THURSDAY, JUNE 26, 2025

DETAILS

LOCATION: BIGHORN GOLF & COUNTRY CLUB

DATE: THURSDAY, JUNE 26, 2024

FORMAT: TEXAS SCRAMBLE (RULES)

- **Team Composition:** Each team is made up of 4 players.
- **Tee Shot:** All team members of the team tee off on each hole. After the drives, the team decides which one of the tee shots they prefer. The other three players pick up their balls and play from the chosen spot.
- **Subsequent Shots:** After choosing the best tee shot, all team members play their second shots from that spot. This process is repeated until the ball is holed. Players place their ball within one club length of the selected shot but not nearer to the hole. On the putting green, balls are placed within one putter head of the chosen ball.
- **Putting:** Once on the green, the team selects the best ball position from which all members will putt. The ball should be marked, and each player puts from the same spot. This rule continues until the ball is holed.
- **Scoring:** The team's score for each hole is the number of strokes taken to hole the ball from the chosen positions, including the chosen tee shot. The team with the lowest total score for the round wins.
- **Handicaps:** Handicaps can be used to level the playing field in a Texas Scramble. A common method is to combine a percentage of each player's handicap to calculate the team's handicap.
- **Driving Requirements:** Some tournaments require that a minimum number of tee shots from each player be used during the round. This rule ensures that all team members contribute to the team's performance.
- **Penalties and Drops:** Standard golf rules apply for penalties and drops. If the chosen ball is in a hazard, penalty area, or out of bounds, the team must take the appropriate penalty under the Rules of Golf.
